Annual Report for 2024 - 2025

Department of Electrical and Electronics Engineering (EEE).

Student Achievements

- ❖ In academics, our final-year students have shown remarkable dedication. Ms. K. Sashmika secured the first rank with an impressive CGPA of 8.38, closely followed by Ms. M. Kannika with a CGPA of 8.37, and Mr. N. Vignesh with a CGPA of 8.16. In the third year, Mr. V. Siva stood first with a CGPA of 8.62, while Ms. R. Subasri followed with a CGPA of 8.47.
- ❖ A total of 30 third-year students completed internships on the Internet of Things at Meck Tech Research Foundation under the AIT 2024 program. Final-year students successfully undertook internships in Robotics.
- ❖ Notably, Mr. K. Veeramani of the final year completed a two-month internship titled *Design and Troubleshoot* at Sri Mahalakshmi Die Works, Chennai. Students Kaviyarasan S, Sujan S, and Muralidharan M gained valuable exposure during their industrial visit to NLC India Ltd., Neyveli.
- ❖ In sports, Mr. S. Swaminathan (III Year) and Mr. S. Sakthivel (II Year) won second place in the CM Trophy 2024 District-Level Volleyball Tournament.
- ❖ Thirty students from EEE and ECE attended a two-day workshop on Embedded with IoT in collaboration with Arifa Innovation and Incubation Council.

Faculty Achievements

- Ms. R. Janbaga Lakshmi achieved 100% results in the subject of Measurements and Instrumentation, completed FDPs on Electric Vehicles and Smart Grids, and served as a Resource Person for IIC 7.0.
- Mrs. K. Kanimozhi secured 85% results in Sustainable High Voltage Insulation Systems and received the Best SPOC Award under the Naan Mudhalvan initiative.
- Mrs. A. Angatha completed an ATAL FDP on Solar Photovoltaics, while Mr. S. Vijal Ananth, Mr. T. Mugundhan, and Mr. A.K. Suresh pursued FDPs in e-Mobility, Sensor Interfacing, and E-Waste Management respectively.

Department of Electronics and Communication Engineering (ECE)

Student Achievements

- ❖ Among final-year students, Ms. R. Anusha topped with a CGPA of 8.3, followed by Ms. R. Srinithi with 8.2 and Ms. C. Suvedha with 8.18. In the third year, Ms. K. Birundha led her class with a CGPA of 8.0. Ms. E. Thejeshwini is also appreciated for maintaining 100% attendance.
- ❖ Five students—D. Ajith, K. Rethinapriya, E. Thejeshwini, R. Anusha, and C. Gunalan—completed internships at ONGC, Karaikal.

- ❖ In the Smart Hackathon organized by Kanni Tamil Startup, second-year students K. Dinesh and B. Mohammad Rishwan secured fifth place.

In sports, E. Nithish and J. Raikhan of second year clinched second place in the CM Trophy Volleyball Tournament, earning a cash prize of ₹24,000. They also represented the zone at the University College of Engineering, Thirukkuvalai.

Faculty Achievements

- Dr. G. Sundar published a paper in the *International Journal of Computer Science*, presented two papers at international conferences, and completed FDPs in 5G Technology, Embedded Systems, and VLSI.
- Mrs. P. Kalaimagal presented a paper titled *Smart Manufacturing using FPGA*, served as an Innovation Ambassador, and completed FDPs on IoT and Smart Communication.
- Mr. M. Maruthu conducted research on IoT in Autonomous Vehicles, achieved 100% results in Wireless Communication, and completed multiple FDPs.
- Ms. G. Ashika presented her work on *Triangular Monopole Antennas* and completed FDPs in Smart Mobility, Artificial Intelligence, and Cloud Computing.
- Mr. M. Rajadurai, Mr. V. Siva, Mr. R. Aravinthan, and Mr. S. Chandramohan achieved 100% results in their respective subjects, while Ms. L. Divya attained the same in AI & ML.

Department of Artificial Intelligence and Data Science (AI&DS)

Student Achievements

- ❖ Ms. Asika S secured the top position in the department with a commendable CGPA of 8.58, followed closely by Ms. Janani R with a CGPA of 8.54 and Ms. Seethala Devi R with a CGPA of 8.46.
- ❖ Ms. Divya M won second place in Hammer Throw at the Thanjavur meet and multiple first prizes at AIT's inter-college events. She also represented the district in the CM Trophy State Level games.
- ❖ Mr. Charan S played a crucial role in helping the AI&DS team win first place in the AIT cricket tournament, along with Mr. Mohammed Salman M. Mr. Raj Prasath G showed outstanding multi-sport participation, winning second place in Basketball, Kabaddi, Cricket, and Chess, and first place in Volleyball.
- ❖ At the AIT Paper Presentation event, Balamurugan P, Abdulla A, Rohith S, and Haja Junaudh Ahamed M secured third place. Keerthika M, Gobika M, and Janani R actively participated in the MSME Hackathon conducted by AIIC. Mr. Udhayakumar K was selected by the Collector Office to assist with local digital civic campaigns.

Faculty Achievements

- Mr. R. Jayakkumar, HoD, presented two papers at ICAIT 2025: *The Role of Radical Innovation in Digital Product Success* and *Securing CoAP Using OSCOAP Security Framework*, and completed FDPs on Cybersecurity and Quantum Computing.
- Ms. L. Divya attained 100% results in Professional Ethics and completed FDPs in Cloud Computing and AI.
- Mrs. K. Kanaga presented research on Cognitive Radio Networks and the DEKey Algorithm.
- Ms. B. Birunda presented *AI-Powered Stroke Prediction* and *Data Capturing in CRNs*, and completed an FDP in Speech Recognition.
- Ms. M. Atchiya presented papers on *Online Voting using Blockchain* and *Opinion Ranking System*, and published an article in the *IJSRED* journal.

Department of Science and Humanities

Student Achievements

In total, 40 students from the department participated and won accolades across various sports and athletic disciplines hosted within AIT.

- ❖ In the **Kabaddi tournament (Boys)**, the team from the department secured **Second Place** with the participation of **12 students**.
- ❖ In the **Kho-Kho tournament (Girls)**, our team won the **Second Place**, with **12 students** actively competing.
- ❖ In the **Basketball tournament (Boys)**, our department team earned **Second Place**, consisting of **8 players**.
- ❖ In **individual events**, **R. Sharmila** secured **Second Place** in the **Long Jump**, and **V. Jayashree** won **Second Place** in the **100 metres race**.
- ❖ In **Chess**, **B. Hemanth** secured **Second Place**, showcasing his intellectual strategy.
- ❖ In **Shot Put**, **S. Gokul** earned **Second Place** through an impressive throw.

Faculty Achievements

- **Ms.. K. Suvathika**, Head of the Department and faculty of Chemistry, presented a research paper titled "*Effect of chitosan and mordants on the dyeability of cotton fabrics with natural dye from the flowers of Lantana camara L.*" at an International Conference organized by **Saraswathi Narayanan College, Madurai**. She also presented another paper on "*Effect of chitosan and mordants on the dyeability of silk fabrics with natural dye from the flowers of Lantana camera*" at the **Nehru Institute of Technology, Coimbatore**.

She participated in the following ATAL-sponsored Faculty Development Programs:

- *Eco Innovation in Green Energy and Climate Resilience* – **Sir M. Visvesvaraya Institute of Technology (Online)**

She also presented another paper on “*NLO activity and spectroscopic investigation on N-benzoylozcarbonyl*” at the **International Conference on Nanoscience and Computational Modelling (ICNCM 2025)** hosted by **Sri Manakula Vinayagar Engineering College and School of Arts and Science, Puducherry**.
- **Mrs. N. Ramya**, Assistant Professor of Tamil, participated in an **International Faculty Development Program** on *Sanga Ilakiyangalil Pathupattu*, organized by the **Tamilnadu Anaithulaka Pongutamil Sangam**.
- **Mr. Jeeva Michael**, Assistant Professor of English has contributed two chapters in association with **Mr. N. Subramaniyan** for the book entitled “*Voices Unveiled*”
- **Mr. N. Subramaniyan**, Assistant Professor of English, was granted a patent for ‘*Designing and Facilitating Effective Online Courses on English Language Teaching for Social Change*’. He also published a book chapter titled ‘*Voices Unveiled: The Narratives of Peripheral Life in Literature*’, published by **Notion Press**. In addition, he co-authored two scholarly articles with **Mr. Jeeva Michael**

Department of Mechanical Engineering:

Student Achievements

The students of the Department of Mechanical Engineering have actively participated in various co-curricular and extracurricular activities, showcasing their talents on multiple platforms.

- ❖ Final year student **Navaneetha Krishnan V** and third year student **Parthasarathy M** participated in the **Silambam competition for the World Guinness Record 2024**, adding a unique distinction to the department.
- ❖ Third year students **Dinesh S** and **Pravin S** demonstrated excellence in sports by participating in the **Cricket Tournament of the Chief Minister’s Trophy 2024**, held at Nagapattinam. The same duo also took part in the **Zonal-level Kho Kho Competition**, conducted at the University College of Engineering, Pattukkottai.
- ❖ Second year students **Jayaraman S**, **Hajmohamed S**, and **Nijanthan R** showcased their creativity by participating in a **short film making competition** organized under the **Beti Bachao Beti Padhao** scheme by the Government of Tamil Nadu, held at Nagapattinam.
- ❖ All students of the department took part in an **industrial visit to NLC India Limited, Neyveli**, which greatly enriched their practical knowledge and understanding of industry practices.

- ❖ Third year students **Dinesh S** and **Veeraprakash R** presented a paper titled “*Improved Solar Still Optimized for Performance Based on Parameters Influencing Productivity*” at E.G.S. Pillay Engineering College, Nagapattinam, in March 2025, and were awarded **Second Prize** for their presentation.
- ❖ Third year students **Gurumoorthi D** and **Harikrishnan M** presented a paper titled “*Investigation Towards Direct Solar Dryer with Thermal Energy Storage*” at the same venue.
- ❖ Second year students **Jayaraman S**, **Nijathan R**, and **Shyam Sundar P** presented a paper on “*Design and Fabrication of Solar Inverter Powered Grinding Machine,*” while students **Jayasuriya S**, **Sriram M**, and **Vijayaram S** presented a paper on “*Performance and Analysis of Solar Flat Plate Cavity Collector*” — both at E.G.S. Pillay Engineering College in March 2025.
- ❖ Third year students also completed an **Internship Programme** at *Siva Engineering Works*, Thiruthuraiipoondi in February 2025, gaining hands-on industrial experience.
- ❖ In recognition of academic discipline, third year students **Parthasarathy M** and **Gurumoorthi D**, and second year students **Jayasuriya S** and **Nijathan R**, were commended for maintaining **100% attendance** throughout the academic year.

Faculty Achievements

The faculty of the Department of Mechanical Engineering have actively participated in numerous FDPs, workshops, and research activities, contributing significantly to the professional development and academic growth of the department.

- **Mr. G. Vivek**, Assistant Professor, completed multiple **AICTE-ATAL Faculty Development Programmes** on diverse themes ranging from **Embedded Systems in Automotive Industry** to **Sustainable Civil Engineering** and **Disruptive Electrical Technologies**. He also completed FDPs and workshops on **Marine Auxiliary Machines**, **IoT in Mechanical and Agricultural Engineering**, **3D Printing**, and **Employability Skills** under the **Naan Mudhalvan Program** at Anna University. His research contributions include co-authoring a paper titled “*Investigation Toward Direct Solar Dryers With and Without Thermal Energy Storage*” published in **IRJET, October 2024**, and another work on “*Investigation of Mechanical and Corrosion Characteristics of Steel Using Geopolymer Coatings*”, published in **IRJET, May 2024**.
- He also presented a paper titled “*Optimization and Validation of a Solar Flat Plate Collector Using RSM and CFD*” at the **2nd International Conference on Advanced Innovation in Technologies (ICAIT-2025)**, held at Arifa Institute of Technology, Keezhaiyur.
- **Mr. A. Arulsakthi** took part in workshops on **IoT**, **3D Printing**, and an **8-day FDP on E-Mobility** at E.G.S. Pillay Engineering College.
- **Mrs. H. Risuwana Begam** attended a **Two-day Workshop on 3D Printing Technologies** at IIT Madras and also an **8-day FDP on Material Innovation** along with Mr. Vivek.
- **Mr. R. Tamilarasan** and **Mr. C. Balamurugan** participated in 6-day FDPs on **Digital Manufacturing** and **Tool Design** respectively.
- **Mr. G. Surendar**, **Mr. K. Suresh Kumar**, **Mr. A. Arulsakthi**, and **Mr. Vivek** attended a **two-day FDP on NAAC New Reforms 2024**, and **Mr. Surendar** attended a **NBA Awareness Workshop on Outcome-Based Education and Accreditation** conducted by Anna University.

- In academic performance, **Mr. G. Vivek** and **Mr. C. Balamurugan** recorded over **80% pass results** in **Engineering Graphics**, while **Mr. K. Suresh Kumar** achieved a remarkable **90% pass result** in **Disaster Management** during the seventh semester.

Department of Computer Science and Engineering:

Student Achievements:

The final year students of the Computer Science and Engineering Department have excelled in both technical and co-curricular domains.

- ❖ **R. Abdul Gani** participated in the **MSME Hackathon** and secured **second prize** in a symposium held at AIT. His skills in graphic design and video editing earned him a placement through the District Collector's Office in Nagapattinam.
- ❖ **V. Anaga** showcased remarkable performance in the **MSME Hackathon**, won **second prizes** in both a symposium at AIT and the **TNWISE TANCAM Hackathon** at PMIST, Vallam.
- ❖ **P. Tharshini** was actively involved in the **MSME Hackathon**, interned at the Collector's Office, and earned **second prizes** in both a symposium at AIT and the **TNWISE Hackathon**.
- ❖ **S. Thirisha** also took part in the **MSME Hackathon** and secured **second prize** at the AIT symposium.
- ❖ **K. Pravin** brought recognition through sports by emerging as **runner-up in volleyball** at a district-level tournament.
- ❖ Students like **B. Asika**, **R. Savitha**, **P. Santha**, **B. Akalya**, **S. Dharshini**, **H. S. Harshini**, **M. Muthukavya**, **H. Sinaz Afrin**, **S. Vigneshwaran**, **M. Mohamed Usman**, and **J. Vijayan** also made active contributions in the MSME Hackathon.
- ❖ **B. Akalya**, **P. Santha**, and **S. Dharshini** also completed **internships** at the Collector's Office.
- ❖ **S. Vigneshwaran** balanced academic and athletic pursuits by participating in hackathons and becoming a **runner-up in volleyball**.
- ❖ **H.S. Harshini** secured the **first rank** in the department.
- ❖ **V. Anaga** stood **second**, with a CGPA of **8.30**.
- ❖ **S. Vigneshwaran** attained **third rank**, with a CGPA of **8.10**.
- ❖ **V. Avinash** also demonstrated strong performance, with a CGPA of **8.38**.
- ❖ **V. Anaga**, **M. Kiruthika Devi**, **S. Santhiya**, and **S. Vigneshwaran** were awarded for maintaining perfect attendance.

In third year:

At AIT, a variety of academic and co-curricular events saw enthusiastic participation from students:

- ❖ **Four students participated in the Chess competition**, out of which one secured the second prize, while the others received participation recognition.
- ❖ **Seven students took part in the Technical Quiz – INTRA CLASH'25**, with one student winning first prize, one securing second, another third, and the rest receiving

participation certificates.

- ❖ **Thirteen students participated in the Paper Presentation event during INTRA CLASH'25.** Three of them won second prizes, and the remaining students participated actively.
- ❖ **Athletic events held on 26th March 2025** witnessed participation from six students. Among them, prizes were won in 100m, 200m, 400m relay, throw ball, and shot put events, while others participated in multiple track and field events.
- ❖ **Three students took part in the Throw Ball competition,** with one team winning the first prize and others participating.
- ❖ **Four students were involved in the Relay race ,** where two teams secured first and second prizes respectively, and others took part actively.
- ❖ **Six students showcased their creativity in the Women's Day Rangoli Event,** with multiple prizes including first and second place being awarded.
- ❖ **One student participated in the Women's Day Hair Do Event** and won the third prize.
- ❖ **The Women's Day Mehandi Event** had one participant who secured the second prize.
- ❖ **Two students participated in the Cricket event** conducted at AIT and received participation recognition.
- ❖ **One student took part in the Kabadi event** and received a participation certificate.
- ❖ **In the CM Trophy Volley Ball match held on 24th September 2024 at AIT,** one student participated and won the event.
- ❖ **Abarna M** participated in the TNWISE TANCAM's Hackathon held at Periyar Maniammai Institute of Science & Technology (PMIST), Vallam on 21-03-2025.
- ❖ **Akash S** participated in the MSME Idea Hackathon 3.0 held at PMIST, Vallam on 27-10-2024.
- ❖ **Amaravathi R** participated in the TNWISE TANCAM's Hackathon held at PMIST, Vallam on 21-03-2025.
- ❖ **Gowrimano B** participated in the TNWISE Hackathon at PMIST, Vallam on 21-03-2025.
- ❖ **Jesina S** participated in the Women's Day Rangoli Competition held at PMIST, Vallam on 08-03-2025.
- ❖ **Kalaivani V** participated in the International Conference on Advanced Information Technology (ICAIT 2025) held at Kings Engineering College, Chennai, and in external Hackathon competitions.
- ❖ **Kalki P** participated in the MSME Hackathon and TNWISE Hackathon at PMIST, Vallam.
- ❖ **Madhubala G** presented a paper at Jeppiaar Institute of Technology, Sriperumbudur and also participated in the MSME Hackathon at PMIST, Vallam.
- ❖ **Mahalakshmi C** participated in ICAIT 2025 at Kings Engineering College, Chennai, and in external Hackathons, Quizzes, and Paper Presentations.
- ❖ **Rajeshwari M** presented a paper at ICAIT 2025 at Kings Engineering College, Chennai, and participated in external cultural events.
- ❖ **Santhiya M** participated in the TNWISE Hackathon at PMIST, Vallam, and a Paper Presentation at EGS Pillay Engineering College, Nagapattinam.
- ❖ **Shalini C** presented a paper at EGS Pillay Engineering College, Nagapattinam.
- ❖ **Thirumaran K** won the CM Trophy Volleyball Tournament at District Level, Thanjavur on 24-09-2024.
- ❖ **Vignesh D** Won 1st prize in Code Debug at Karpagam College of Engineering, Coimbatore on 04-01-2025, secured 3rd prize in Paper Presentation at EGS Pillay Engineering College, Nagapattinam, and presented a paper at Jeppiaar Institute of

- ❖ **Vineka P** participated in multiple **Paper Presentations, Hackathons**, and secured **1st prizes** in **Rangoli** and **Mehandi** at **PMIST, Vallam** and **MAM College of Engineering, Trichy**.
- ❖ **Vishnu Varthan R** participated in the **MSME Hackathon** at **PMIST, Vallam** on **27-10-2024**.
- ❖ **Yazhini G** presented a **paper** at **EGS Pillay Engineering College, Nagapattinam**.
- ❖ **A total of 15 students** have **workshops and internships** at **VHILV TECHNOLOGY**.

And in second year,

- ❖ In **Throw Ball**, a total of **16 students** actively participated across two event dates — the **7th of March 2024** and the **26th of February 2025**. Among them, **3 students** secured **First Prize**, **5 students** won **Second Prize**, **2 students** achieved **Third Prize**, and **2 students** claimed **Fourth Prize**. The remaining participants contributed significantly as team players, showcasing excellent coordination and spirit.
- ❖ In **Relay events**, **4 of our students** took part and performed admirably, winning **First, Second, and Third Prizes** across different combinations and teams.
- ❖ In a combined **Kabaddi and Cricket** event held on the **26th of February 2025**, **one of our students** brought laurels by winning the **First Prize**.
- ❖ We are equally proud of our students who showcased their technical talents through **Symposiums and Paper Presentations**, particularly in events like **INTRA CLASH'25**, where **3 students** earned the **Third Prize** for their outstanding presentations.
- ❖ In individual athletic events, **one student** participated in the **Discus Throw** and won the **Second Prize**, while another secured the **Third Prize** in **Shot Put**.
- ❖ Our student who took part in **Tennikoit** delivered an exceptional performance by winning the **First Prize on both occasions** of the event.
- ❖ In **Chess**, **one student** demonstrated strategic brilliance and secured the **Second Prize**.
- ❖ Finally, in **Running events**, **two of our students** earned accolades — with **one** winning the **First Prize** and **another** securing the **Third Prize**.
- ❖

In academics,

- ❖ **Sathyapoorani** emerged as the top performer with a CGPA of **8.53**, followed by **Hemadharshini M** with **8.43**, **Hazm Marzooq S** and **Kowsalya T**, both with **8.41**.
- ❖ **Kowsalya T, Praveena D, and Yokesh V** each achieved **100% attendance**, highlighting their dedication.
- ❖ Students like **Abarna M, Akash S, Amaravathi R, Gowrimano B, Jesina S, Kalaivani V, Kalki P, Madhubala G, Mahalakshmi C, Rajeshwari M, Santhiya M, Shalini C, Thirumaran K, Vignesh D, Vineka P, Vishnu Varthan R, and Yazhini G** represented the department at various Hackathons, Conferences, and Technical Events across Tamil Nadu, often returning with prizes and accolades.

A total of **15 students** undertook **internships and workshops** at **VHILV TECHNOLOGY**, gaining valuable industry exposure.

Faculty Achievements

The faculty of the CSE Department have made noteworthy contributions to academic research, innovation, and pedagogy.

- Our Head of the Department, **Dr. D. Radha**, has actively contributed to academic research by presenting three papers at the *International Conference on Advanced Innovation in Technologies (ICAIT) 2025*. Her presentations included works on rescue robotics, generative adversarial networks, and AI-based trash classification. She has also completed *seven* Faculty Development Programs (FDPs), including ATAL FDPs on Cyber Threat Detection and Quantum Computing, and specialized sessions on deep learning and Gen AI tools. Additionally, she has authored a book chapter titled "*Recent Advancements in Computational Intelligence*".
- **Mrs. A. Kalaivani** has delivered consistent academic excellence with a 96% pass percentage in *Operating Systems*. She has presented four conference papers, including a collaborative paper on rescue robotics, and has published a *patent* titled "*Energy Efficient Machine Learning Model Optimization for IoT Devices*". She has also participated in *five* FDPs including those on Cloud Computing and Deep Learning.
- **Mrs. R. Sarojini Devi** has achieved a commendable 95% result in *Object-Oriented Software Engineering (OOSE)* and has presented two papers on blockchain-based voting systems and online product ranking. She has also attended two ATAL FDPs related to cyber security and high-performance computing.
- **Ms. S. Krishnaveni** has demonstrated outstanding performance with a *100%* result in *Data Mining* and 89% in *Computer Networks*. She has presented two papers and completed two FDPs.
- **Ms. T. Vinitha** has also recorded *100%* result in *Network Security* and 96% in *Foundations of Data Science (FDS)*. She has presented two conference papers and completed three FDPs, including a Naan Mudhalvan FDP on Employability-Based Project Learning.
- **Mr. S. Karneelasjoshva** contributed to conference research with a presentation on *YOLOv4 for real-time object detection* and participated in an FDP on *Speech Recognition* under the Naan Mudhalvan initiative.
- **Ms. V. Sudha** presented two papers on *data capturing and packet capture techniques* for cognitive radio networks.
- These collective achievements not only reflect their commitment to teaching excellence but also their active involvement in research, innovation, and continuous professional development.

These accomplishments reflect the department's ongoing pursuit of **excellence in education, innovation, and professional development.**

Apart from all the mentioned achievements, our staff members have also made significant contributions in achieving good results. Let us have a glimpse of such.

I am proud to acknowledge the **outstanding academic performance** of our dedicated faculty members during the **April/May 2024 and November/December 2024 examinations**. Their commitment to academic excellence has yielded remarkable results.

For the **April/May 2024** session:

- **Mrs. Ramya N**, Assistant Professor, Science and Humanities, achieved a 90% result in *Tamils and Technology*.
- **Mrs. Kalaivani A**, Assistant Professor, Computer Science and Engineering, secured 96% in *Operating Systems*.
- **Ms. Sarojinidevi R**, Assistant Professor, Computer Science and Engineering, obtained 95% in *Object-Oriented Software Engineering*.
- **Ms. Krishnaveni S**, Assistant Professor, Computer Science and Engineering, achieved a perfect 100% in *Digital Marketing*.
- **Ms. Vinitha T**, Assistant Professor, Computer Science and Engineering, secured 100% in *Network Security* and 96% in *Fundamentals of Data Science and Analytics*.
- **Mr. R. Jayakkumar**, Head of the Department, Artificial Intelligence and Data Science, secured 96% in *Machine Learning*.
- **Ms. Divya L**, Assistant Professor, Artificial Intelligence and Data Science, achieved 100% in *Professional Ethics and Engineering*.
- **Ms. Janbagalakshmi R**, Assistant Professor, Electrical and Electronics Engineering, secured 100% in *Measurements and Instrumentation*.
- **Mr. Maruthu M**, Assistant Professor, Electronics and Communication Engineering, achieved 100% in *Network Security*.
- **Mr. Aravinthan R**, Assistant Professor, Electronics and Communication Engineering, secured 93.3% in *Embedded Systems and IoT Design*.

For the **November/December 2024** session:

- **Mr. Sureshkumar K**, Assistant Professor, Mechanical Engineering, achieved 97% in *Human Values and Ethics* for CSE students.
- **Mrs. Kalaivani A**, Assistant Professor, Computer Science and Engineering, secured 100% in *Computer Networks*.
- **Ms. Krishnaveni S**, Assistant Professor, Computer Science and Engineering, achieved 100% in *Distributed Computing*.
- **Ms. Vinitha T**, Assistant Professor, Computer Science and Engineering, secured 91% in *Cryptography and Cyber Security*.
- **Mrs. Sarojini Devi R**, Assistant Professor, Computer Science and Engineering, achieved 100% in *Exploratory Analysis*.
- **Mr. R. Jayakkumar**, Head of the Department, Artificial Intelligence and Data Science, secured 100% in *Distributed Computing* and 96% in *Artificial Intelligence*.
- **Dr. Radha D**, Head of the Department, Computer Science and Engineering, achieved 100% in both *Big Data Analytics* and *Data Exploration and Visualization*.
- **Ms. Divya L**, Assistant Professor, Artificial Intelligence and Data Science, secured 100% in *Recommender Systems* and 98% in *Design and Analysis of Algorithms*.
- **Mr. Mugundhan T**, Assistant Professor, Electrical and Electronics Engineering, achieved 100% in *Multilevel Power Converter*.

- **Mr. Sundar G**, Head of the Department, Electronics and Communication Engineering, secured 93.3% in *Mechatronics* and 100% in *Wireless Communication*.
- **Mr. Siva V**, Assistant Professor, Electronics and Communication Engineering, achieved 100% in *Digital Principles and Computer Organization*.
- **Mrs. Kalaimagal P**, Assistant Professor, Electronics and Communication Engineering, secured 100% in *Analog IC Design*.
- **Ms. Ashika G**, Assistant Professor, Electronics and Communication Engineering, achieved 100% in *Antenna Design*.
- **Mr. Chandramohan S**, Assistant Professor, Electronics and Communication Engineering, secured 100% in *Digital Systems Design*.
- **Mr. Maruthu M**, Assistant Professor, Electronics and Communication Engineering, achieved yet another 100% in *Digital Principles and Computer Organization*.

These exceptional outcomes are a testament to the unwavering dedication and excellence of our faculty members. Congratulations to all the achievers for their stellar performance!

In conclusion, this academic year has been a remarkable journey of **growth, innovation, and excellence**. The achievements of our students and faculty members stand as a testament to the **collective vision, hard work, and dedication** that define our institution. As we move forward, let us continue to strive for greater heights, fueled by a spirit of collaboration, curiosity, and courage. Together, we will shape a future that is not only successful, but significant.

Thank you.
