

ARIFA INSTITUTE OF TECHNOLOGY

(Approved by AICTE, New Delhi and Affiliated to Anna University, Chennai)

Arifa Knowledge Village

Esanoor, Keelaiyur Post, Thirukkuvai Taluk, Nagapattinam District - 611103

Start-up Ecosystem at AIT

Arifa Institute of Technology actively encourages student and faculty-led start-ups by providing mentoring, infrastructure, and seed support. The institute has developed a supportive ecosystem to translate innovative ideas into sustainable ventures.

Start-up Policy

- ✓ Encourage entrepreneurial activities among students and faculty.
- ✓ Provide access to incubation facilities, labs, and digital resources.
- ✓ Facilitate networking with investors, venture capitalists, and government agencies.
- ✓ Provide guidance in intellectual property rights (IPR) and business registration.
- ✓ Recognition and incentives for successful start-ups.

Outcomes

- ✓ Increased participation of students in start-up challenges and competitions.
- ✓ Creation of student-led ventures addressing real-world problems.
- ✓ Collaboration with industries and start-up accelerators.
- ✓ Employment generation and contribution to the local economy.
